

Phillip C. Song MD

Date of Birth	May 8, 1973		
Education	1996-2000	Tufts University School of Medicine Boston, MA	MD
	1991-1995	Brown University Concentration: Environmental Science Providence, RI	ScB, Honors
	1993-1994	University of London, King's College London, UK Major: Environmental Science	
Post Graduate Training	2005- 2006	Laryngology Fellowship Preceptor Andrew Blitzer MD, DDS Columbia University School of Medicine St. Luke's Roosevelt Hospital Center New York, NY	
	2001-2005	Otolaryngology Residency - completed New York University Medical Center New York, NY	
	2000-2001	General Surgery Internship Department of Surgery New York University Medical Center New York, NY	
Employment	2006-present	Laryngologist Massachusetts Eye and Ear Infirmary Harvard Medical School Boston, MA	
	2005-present	Assistant Professor NYU Steinhardt School of Education Speech and Swallowing program	

Chair Celia Stewart, PhD
New York, NY

Honors

- 2004 Eastern Sectional Triological Award for poster presentation.
- 2000 Junior Alpha Omega Alpha Honors Society
Tufts University School of Medicine.
- 2000 Nugent Foundation for Breast Cancer Research for Outstanding Research
Tufts University School of Medicine.
- 1996 Summer Oncology Research Fellowship Award
Children's Hospital Los Angeles.
- 1995 Brown University Honors Thesis for Environmental Science
- 1993 Hughes Grant for Research in Cognitive Science
Brown University and Rhode Island Hospital.
- 1993 Swearer Center for Public Service, Grant for Children with Cognitive Impairments. Brown University.

Publications

Presentations

Song PC, Hillman DE. *Effects of norepinephrine on C-fos expression in response to novel auditory stimulation.* In preparation. Presented as a poster in the Research

Program at the American Academy of Otolaryngology Annual Meeting 2003. Data presented at Neuroscience 2004.

Song PC. *Dystonias, Dysphonias and Tremor! A case based approach to movement disorders of the larynx.* Grand Rounds 2006 NYU.

Song PC, Shemen L. *Application of Electrophysiologic Monitoring in the Approach to Schwannomas of the Neck.* Presented at Eastern Sectional Meeting 2006.

Song PC, Komisar A. *Hashimoto's Thyroiditis as a Confounder in Thyroid Surgery: The Lenox Hill Experience.* Triological Society Meeting Spring 2004. Poster Award recipient.

Swartout B, **Song PC,** Bernstein J. Peritonsillar abscess after subtotal tonsillectomy. Eastern Sectional Meeting Spring 2004.

Bennet G, Lessow A, **Song P,** Constantinides M. The long-term effects of alar base reduction. American Facial Plastic and Reconstructive Surgery Meeting Spring 2003.

Song PC, Sorin A, Ward R. *Vascular ring compression in a seven year old.* Presented as a poster at the Eighty Third Annual meeting of the American Broncho-Esophagological Association. 2003.

Song PC, Shemen L. Utility of electrophysiologic monitoring in difficult thyroid surgery. Oral presentation to the New York Thyroid Club 2002.

Baird A, Kuo-Leblanc V, Rodriguez-Wolf M, Natarajan R, **Song PC,** Vitek M, Kohls M, Gonzalez AM, Stopa EG. 1996. *Regional Variation in Basis Fibroblast Growth Factor (FGF-2), beta - Amyloid, Synaptophysin and GFAP in Alzheimer's disease.* Presented at the Fifth International Conference on Alzheimer's disease. 1996.

Cortez SC, Kuo-Leblanc V, Calabresi P, Epstein MH, **Song PC,** Yee LG, Taylor WM, Stopa EG. 1996 *Vascular Endothelial Growth Factor in Cerebrospinal Fluid of Patients with Brain Tumors.* Presented at the Society for Neuroscience. 1996.

Stopa EG, Vitek MP, Rubin BS, Schmechel D, Kuo-Leblanc V, Wei Y, **Song PC,** King JC, Boteva K, Mitsuda N, Gilbert JR, and Roses AD. 1996. *In Situ Localization of S182 mRNA in Sporadic Alzheimer's disease.* Presented at the Fifth International Conference on Alzheimer's disease. 1996.

**Research Experience
Basic Science**

C-fos expression in the Rat Dorsal Cochlear Nucleus
Principle Investigator: Dean Hillman, PhD. New York University School of Medicine, New York, NY 2002-2003

Localization of VEGF Antibody in Pediatric Neural Tumors

Principle Investigator: Anat Epstein, MD
University of Southern California, Children's Hospital, Los Angeles, CA 1996

Localization of Neural Growth Factors in Alzheimer's disease

Principle Investigator: Edward Stopa, MD
Brown University School of Medicine, Rhode Island Hospital, Providence, RI 1995-1996

Immunosuppressant Effects of Dioxins on Human T-Cells.

Principle Investigator: S. Sharma, PhD
Brown University, Roger Williams Hospital, Providence, RI 1995-1996

Heavy Metal Toxins in the Poughkeepsie Water Basin.

Principle Investigator: Jeff Walker PhD.
Vassar College, Poughkeepsie, NY 1994

Use of Sign Language in Linguistic Development

Department of Cognitive Science
Brown University, Rhode Island Hospital, Providence, RI 1993

Activities and Memberships

American Board of Otolaryngology 2006 - present

American Academy of Otolaryngology 2001 - present

American Medical Association. 1996 - present

Instructional Course Advisory Committee (ICAC), American Academy of Otolaryngology. 2005 – present.

Program Evaluation Committee NYU Department of Otolaryngology 2004 – 2005.

Curriculum Committee NYU Department of Otolaryngology. 2003 - 2005

New York University House Staff Council. 2003

The Sharewood Project. A student run volunteer medical clinic in Boston. Tufts University School of Medicine. 1996-2000.

Association for the Help of Retarded Children (AHRC) Camp Loyaltown, Harrison, NY 1997, 1992.

Community Lead Poisoning Prevention Initiative. Rhode Island Department of Health, Providence, RI 1996.

Corliss Center for the Mentally Impaired. Corliss Center, Providence, RI 1993-1995.

Camp Stepping Stone. Summer camp for children afflicted with HIV. Brown University, Providence, RI 1993
